|| Life Predictions ||

Character

You are a sensitive and emotional person. The hard knocks of this world have more effects on you than they have on most other people, and you lose some of the enjoyment of life in consequence. What other people say and think of you is taken by you to heart. Thus, there are a certain number of things which cause you unhappiness which, after all, are not worth troubling about. Your manner is quiet, as a rule, and this quality gives you the appearance of being strong and determined in the eyes of your fellow-men and women. It enables you to get your own way when you want it. You do not say as much as you think and while you are thinking, you are reasoning. It follows that your judgement is worth having and people will flock to you for advice. You have several excellent qualities. You are highly sympathetic, which makes you a good friend. You are loyal and patriotic and are thus a first class citizen. You are, or would be a most lovable parent. You are, or would be, everything that your partner could desire. Clearly, the good qualities of yours far outweigh the others.

Happiness And Fulfillment

You have the ability to truly enjoy yourself in the company of others. Quite cheerful and pleasant, you are not afraid to laugh and usually have an excellent sense of humor. Your mind is influenced strongly by beauty, and you may bring it prominently into your environment. Anyone who can bring beauty into his or her surroundings is more prone to happiness.

Life Style

You are motivated to enhance your sex life. If other factors make you feel that material possessions are a requirement, you are motivated to gain much money. Whatever your goals, however, sex is the motivating factor. Recognise this, and rather than fight it, use it to best advantage.

|| Life Predictions ||

Career

You are authoritative and stubborn in your business life. You must be the leader than the follower. Try to look at problems objectively, and do not make decisions just because you are obstinate, as this could be your biggest bottleneck to achieving job happiness and success.

Occupation

There are many remunerative occupations which might engage your energies profitably. Your aptitude for making plans fits you for a whole host of businesses and trades where originality counts and this applies just as much to women as to men. Trained in another direction, the same quality would help in organising. Thus, you are eminently fitted for directing the details of large commercial concerns. What you should avoid are all those jobs which are the same year in, year out, and where one day's work is merely a repetition of another. Routine jobs are not for you.

Health

From the point of view of health, you are fortunate. You have an excellent constitution. But, if any part of your body is less robust than the rest, it is your heart and all that immediately depends on it. Therefore, consider yourself carefully when the age of forty is reached and avoid overstrain. As a secondary caution, avoid damaging your eyes. This, however, applies more to early youth than to later life. If you have passed this age and your sight is unimpaired, you may reckon that the danger no longer exists. Stimulants have a specially bad effect on you and, if these are shunned ruthlessly, there is every reason to suppose that you will attain a good age and live a long, useful life.

Hobbies

You set rather a high value on your leisure and begrudge losing any part of it when a rush of work comes along. Your aim is to spend as much time as possible in the open air, which is, of course, highly wise of you. You are not a lover of strenuous games. But, such pastimes as walking, rowing, fishing and nature study are more in keeping with your ideals.

Love Matters

You need love as much as food. You are capable of deep affection and make excellent partner. You must guard against marrying someone with a lower status than yours because you lack just the toleration required for making such a union success. You are a true charmer, have excellent taste and tend to seek contact with artistic people.

Finance

Financial conditions will be very contradictory for you. You will have runs of luck to be followed by equal periods of reverses when nothing will appear to go right. You should avoid speculation and gambles of all kinds and hold your inclination for extravagance well in check. You also come under peculiar and other uncertain conditions in the matter of finance. You may gain money in fits and starts, but you will not be likely to keep it. Your ideas are liable to be too advanced for the generation, you will live in. You will have a desire for indulging in speculation, but as a rule, you will be disposed to back the underdog. Your best chances in relation to the new ideas are, such as electric inventions, wireless, radio, T.V., cinemas and unusual building or construction work, also in literature or highly imaginable creations.

|| Manglik Details / Mangal Dosha ||

Generally Manglik Dosha is considered from the position of Lagna and Moon in the birth chart.

In the birth chart, Mangal is placed in Eleventh house from Lagna, while in the Moon chart Mangal is placed in Fourth house.

Hence Mangal Dosha is not present in Lagna Chart while present in Moon Chart.

Mangal Dosha is considered to create hurdles in the married life of a person. According to some, Mangal Dosha results in frequent illness or ultimately death of partner(s).

It is considered that if a manglik person marries to another manglik person then the manglik dosha gets cancelled and has no effect.

Some Remedies (in case Mangal Dosha is present)

Remedies (needs to be performed before marriage)

Kumbha Vivah, Vishnu Vivah and Ashwatha Vivah are the most popular remedies for Mangal Dosha. Ashwatha vivaha means the marriage with peepal or banana tree and cutting the tree after that. Kumbha Vivah, also called Ghata Vivaha, means marriage with a pot and breaking it after that.

Remedies (can be performed after marriage)

1. Keep Kesariya Ganapati (Orange coloured idol of Lord Ganesha) in worship room and worship daily.
2. Worship Lord Hanuman by reciting Hanuman Chalisa daily.
3. Mahamrityunjaya paath (recitation of Mahamrityunjaya mantra).

Remedies (based on Lal Kitab, can be performed after marriage)

1. Feed birds with something sweet.
2. Keep ivory (Haathi Daant) at home.
3. Worship banyan tree with milk mixed with something sweet.

Note: We strongly recommend you to consult an astrologer before performing these remedies by your own.

The Moon here affects the education of the native adversely, but if education goes well the native's mother's life will be shortened and very often such a native loses both - education and the mother. However, the evil effects of the Moon in the 7th house will be mitigated if Jupiter and Saturn be placed in the 2nd house.

The 7th Moon often deprives the native of parental properties. If there is a well or pond adjacent to the parental property of the native, he/she will receive adverse results of the Moon all through life.

Remedies

- (1) Avoid gambling and flirting.

- (2) Keeping Sindoor or honey in an earthen pot will give good results.

|| Lal Kitab Prediction ||

Mercury in your 3rd house:

Mercury in the 3rd house is not considered good. Mercury is inimical to Mars. But Mars does not have enmity with Mercury. therefore the native could receive benefits from his/her siblings, but he/she will not be beneficial to brother or others. By virtue of its aspects of 9th and 11th houses Mercury affects the income and the condition of the father very adversely.

Remedies

- (2) Feed birds and donate a goat.
- (3) Don't live in a south facing house.
- (4) Distribute medicines of asthma.

Jupiter in your 12th house:

The 12th house would provide the combined influences of Jupiter and Rahu, who are inimical to each other. If the native observes good conduct, wishes good for all and observes religious practices he/she will become happy and enjoy a comfortable sleep at night. He/She would become wealthy and powerful. Abstaining from evil acts of Saturn will make the business of machinery, motor, trucks and cars highly beneficial to him.

Remedies

- (2) Render services to sadhus, pipal gurus and pipal tree.
- (3) Place water and Saunf on the head side of your bed during nights.

Venus in your 3rd house:

Here Venus blesses the native with a charming personality and every person of opposite gender would get attracted to the native. He/She is generally loved by all.

If the native gets involved with other people, he/she will have to live in subservience to his/her spouse, otherwise the spouse will always be dominated by him/her, though spouse may be dominating everyone else coming into contact. Spouse or partner would be courageous, supportive and helpful to the native like second bullock of the cart. Native will be saved from deceit, theft and harm from others. Rahu in your 8th house:

8th house is concerned with Saturn and Mars. So Rahu in this house gives malefic effect. The native would spend money uselessly on court cases. Family life would be adversely affected. If Mars is benefic and is placed in 1st or 8th house or Saturn (benefic) is placed in 8th house, the native will be very rich.

Remedies

- (1) Keep a square piece of silver.
- (2) While sleeping Saunf should be kept under the pillow.
- (3) Do not work in electricity or power department.

Ketu in your 2nd house:

2nd house is affected by Moon, which is an enemy of Ketu. If Ketu in 2nd house is benefic then one gets paternal property. One has to travel a lot and travels are fruitful. Venus gives good results, irrespective of its position. Moon would give bad results. If Sun is in 12th house then one starts earning livelihood after twenty four years and is happy. If Jupiter is exalted along with Ketu in 2nd house, then income would be in lacs of rupees. If Ketu in 2nd house is malefic, then one has to travel to dry areas. One cannot rest at one place and would be wandering from place to place. Income may be good, but so would be the expenditure. Thus net gain would be negligible. If there is Moon or Mars in 8th house then native's life would be short and he/she would have serious problem at the age of sixteen or twenty years. If 8th house is empty then Ketu would give malefic results.

Remedies

- (1) Apply turmeric or saffron as tilak.
- (2) One should not be of loose character.
- (3) If one religiously visits temples and bows head there then Ketu in 2nd house would give good results.

|| Shadbala and Bhavabala – Strength Calculations ||

Shadbala is a method in Vedic astrology that gives quick insight in the strength of planets and the houses. Sanskrit means 'Six' and hence Shadbala consists of 6 different sources of strength. Shadbala calculation is a laborious process but thanks to computers one can get these strength calculations by just one mouse click. Shadbala method gives a value to each planet and each house. The more points a planet and a house gets in Shadbala the stronger it is.
